Third-Party Services | Cost Overview

Three services we need to run SqftGo: KYC verification (Cashfree), SMS/OTP (MSG91), and email (Amazon SES). Below is where each is used and what it costs at low, growth, and heavy traffic. Prices are indicative (INR) + GST where applicable.

1. Cashfree (KYC Verification)

Where used

Dealer KYC checks - PAN and bank account verification before listing privileges.

Example monthly Cashfree spend (KYC API calls)

Low traffic	- ~20 to 50 KYC checks:	~Rs 200 to Rs 500 + GST
Growth	- ~100 to 200 KYC checks:	~Rs 1,000 to Rs 2,500 + GST
Heavy	- ~500+ KYC checks:	~Rs 5,000 to Rs 10,000 + GST

2. MSG91 (SMS / OTP)

Where used

Mobile OTP for login/signup and important SMS alerts (inquiry, KYC status).

One-time DLT / sender setup when going live: ~Rs 5,000 to Rs 6,000.

Example monthly MSG91 spend

Low traffic	- 2,000 OTP/alerts:	~Rs 300 to Rs 500 + GST
Growth	- 10,000 SMS/month:	~Rs 1,500 to Rs 2,500 + GST
Heavy	- 50,000 SMS/month:	~Rs 7,500 to Rs 12,500 + GST

3. Amazon SES (Email)

Where used

Password reset, email verification, and notification emails to dealers/users.

Example monthly Amazon SES spend

Low traffic	- 5,000 emails/month:	~Rs 40 to Rs 50
Growth	- 50,000 emails/month:	~Rs 400 to Rs 450
Heavy	- 200,000 emails/month:	~Rs 1,600 to Rs 1,800

Combined monthly (all three)

Rough total by stage

Low traffic: ~Rs 540 to Rs 1,050 + GST

Growth: ~Rs 2,900 to Rs 5,450 + GST

Heavy: ~Rs 14,000 to Rs 24,000+ + GST

(MSG91 one-time DLT is separate, not included above.)
